"I think the team at Skedaddle are all extremely great people and everyone is SO hardworking and brings their own personality/quirks to the job and office which makes coming to work really enjoyable. The trips and holidays we provide I think are of great quality and the feedback we receive really confirms this. I have never worked in a team where I have got along with and felt so welcomed and supported by every member of the company as well as I do at Skedaddle. Whenever I am asked about where I work I enjoy being able to tell friends/family etc about Skedaddle which I think shows how proud I am to work here." – Kerry, Travel Consultant"
